

# Prashant Nepal

IT Student

## Personal Info

kalanki, Kathmandu, , Nepal

9845505921

[prashantnepal23@gmail.com](mailto:prashantnepal23@gmail.com)

## Skills

- Mobile app testing
- Data binding
- Kotlin expertise
- XML knowledge
- Gradle build system
- SQLite databases
- Git version control
- Android SDK

## Languages

English

Nepali

## Summary

Aspiring Android Developer with a solid foundation in Kotlin programming and hands-on experience with the Android SDK and Android Studio. Skilled in designing intuitive and responsive user interfaces following Material Design principles. Proficient in version control using Git, enabling efficient collaboration and code management. Eager to apply problem-solving skills and a keen learning attitude to contribute to dynamic development teams and create impactful mobile applications.

## Education

**Secondary Education Examination, Munal Academy (3.25)**  
April 2018

**Higher Secondary Examination, ED-MARK Academy (3.7)**  
July 2018 - July 2020

**BSC(Computer System Engineering, University of Sunderland)**  
February 2021 - Present

## Programming Language

Python

Javascript

Kotlin

## Internship

I am determined to tackle challenges head-on and push myself to achieve excellence in Android development. With a solid foundation in Java and Kotlin, I am confident in my ability to grasp new concepts and technologies swiftly. I am committed to honing my skills and staying updated with the latest trends in the field. By actively seeking opportunities to learn and grow, I am poised to contribute effectively to any team and make a meaningful impact in the world of mobile app development.
